

Excursion

Breaking ground.

EXCURSION-Class A Diesel-2006

350HP

THE WORLD IS CALLING
AND IT'S TIME YOU ANSWERED.
FOLLOW YOUR HEART,
BE SPONTANEOUS AND NEVER LOOK BACK.
OUT HERE, THERE IS
NO SUCH THING AS A WRONG TURN.
IT'S ALL WORTH EXPLORING.

Excursion 395, shown with Illusions interior decor and Plantation Cherry wood finish.

Luxurious Space

Plenty of room for a spacious and comfortable atmosphere is never an issue thanks to Excursion's tall 7' ceilings. Triple and quad slide-outs also help to provide an open and roomy feeling on the road that you never thought possible until now. You'll love this

luxurious environment thanks to features like Ultraleather™ Flexsteel® furniture with a lifetime warranty on the frame, and dual air conditioning units for the perfect climate on those hot days. Your traveling will truly take on new meaning in this remarkable RV.

OVERHEAD STORAGE

is an ideal place to keep board games, books or anything else for your travels.

SOFA SLEEPER

(optional) features a comfortable air mattress for a good night's rest, and luxurious Ultraleather™ that is stain resistant and easy to clean.

DUAL ULTRALEATHER™ SWIVEL RECLINERS

(optional) are very comfortable, and are mobile, so you can move them around for your ideal living room set up.

THE ULTRALEATHER™ FLEXSTEEL® PASSENGER SEAT

is stain resistant and includes an electric foot rest, allowing you to automatically adjust. Power adjustments also help to customize the seat position/height for a luxurious traveling experience (both power & electric foot rest are optional).

FRONT ENTERTAINMENT CENTER

includes a 27" flat screen TV and a hi-fi VCR/DVD player with a home theater sound system for unprecedented entertainment.

CENTRAL VACUUM

(optional) is a very convenient feature to have handy for quick and easy cleanup.

Excursion

Great Taste.

Excursion doesn't disappoint with its well appointed galley, combining an elegant and stylish setting with the accommodations to prepare your favorite meals. Stainless steel looks great, especially on the large double sink for easy clean up. Enjoy the residential sized galley

cabinetry, capable of storing full-size plates and dishes. And you'll appreciate the convection microwave oven for cooking fish, steak, or a whole chicken in the fraction of the time compared to a standard oven. It's like having the luxuries of home with you wherever you go.

THE PULL-OUT GALLEY EXTENSION (select models) conveniently locks in place, provides shelving for added storage, and expands your workspace in the galley when you're preparing a meal.

RETRACTABLE WAND FAUCET features elegantly designed single-lever control with dispensers for soap and hand lotion.

DELUXE ROLLER BEARING, FULL EXTENSION DRAWER GUIDES on all the drawers throughout the vehicle are very durable and allow for full access to store pots and pans.

SOLID SURFACE COUNTERTOPS are exquisite looking, easy to clean, and scratch/stain-resistant.

UNDER SINK STORAGE features a convenient pull-out basket, plenty of room for your cleaning supplies and provides sink lid storage.

NORCOLD® 12 CU. FT. 4 DOOR STAINLESS-STEEL REFRIGERATOR is finished in beautiful stainless steel, and features an ice maker and water dispenser.

THE PANTRY features pull-out baskets for convenient loading and unloading of your non-perishable goods (select models).

Dreamy.

Excursion's breathtaking bedroom combines the style of a five star suite with the function and convenience of home. A peaceful night's sleep is a breeze thanks to the Restonic® queen-size pillow top mattress for the ultimate in comfort on the road. This luxurious environment also

includes sleek matching bedspread and pillow shams, elegant night stands and convenient reading lights just like home. In the bathroom, take advantage of stain resistant solid surface countertops, a 12V roof fan for ventilation and plenty of storage for toiletries.

A MIRRORED-DOOR WARDROBE comes equipped with lighting, residential racks, wide organizers and is ventilated and lined with cedar to keep clothes smelling fresh and moth-free.

THE ELEGANT GLASS ENCLOSED SHOWER features a skylight and integrated towel racks just like home. Also features obscure glass for privacy.

A 20" FLAT SCREEN TV conveniently swivels to your liking for comfortable viewing.

THE WASHER/DRYER COMBO (optional) is a great convenience that is easily concealed when not in use.

BEDROOM VANITY WITH SECOND SINK (select models) is a handy alternative to a busy bathroom. A good place to shave or wash up. Full extension drawer guides are provided allowing full access for your storage needs.

Excursion

Holding tanks are positioned in the bottom center of the platform to enhance vehicle stability.

Holding tanks are enclosed between the upper and lower basement floors. This allows them to be heated to prevent freezing in cold weather.

Platform design creates lots of storage area and supports the sturdy Vacu-Bonded® walls.

POWER PLATFORM CONSTRUCTION

Fleetwood's patented Power Platform begins with two 10-in. steel I-beams welded lengthwise to the chassis. From the beams, steel outriggers extend outward. Together, they create a basement for fluid tanks and storage while supporting the floor, walls and roof with a rigid metal frame. This complements the chassis to make it even stronger.

* Drawings are for illustrative purpose only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

A 2 STAGE DUPONT® PAINT PROCESS (full-body paint standard) is carefully applied for maximum durability and a sleek exterior look. This process ensures only the best in quality and appearance.

4 POINT AUTOMATIC LEVELING SYSTEM levels your Excursion while parked with a one-button push, or a do-it-yourself manual override.

DUAL AIR CONDITIONING UNITS

Excursion has maximum cooling capacity and plenty of storage because its A/C units are mounted on the roof and not in the basement.

THE EXTERIOR SPOTLIGHT (optional) is a great feature to provide additional light at night when exploring your surroundings.

REDESIGNED FRONT CAP includes stylish revamped headlights that is sure to turn heads.

STORAGE COMPARTMENTS are lighted and include single paddle metal latches, gas-lift strut supports, stainless-steel hinges and insulated aluminum doors.

*Vehicle shown with White Diamond full-body paint.

350HP

350 HP CATERPILLAR® C7 DIESEL ENGINE makes hill climbing and towing easier.

THE REMOTE GENERATOR SWITCH is located in the bedroom, allowing you to conveniently turn the power on or off at anytime.

EXTERIOR ENTERTAINMENT CENTER (optional) features an AM/FM radio with CD player and a 20" TV on a convenient pull out shelf.

STYLISH WRAP-AROUND DASH features tilt and telescoping steering wheel for your convenience, read-at-a-glance gauges and easy-to-reach controls. A 6 Disc CD player with Sirius® satellite radio are optional. (6 month subscription is included.)

EZ STORE COMPARTMENTS move with slide-out for convenient use, and are lined with a special polyethylene material that is stain resistant and easy to clean. For '06 the compartment door is wider and makes it easy to store large items.

OPTIONAL PULL-OUT GRILL and kitchenette will make you the hit of the campground. Burgers and drinks anyone?

THE TRIP METER features convenient indicator lights that monitor gas mileage, fuel efficiency, engine levels, temperature and oil pressure.

KEYLESS REMOTE ENTRY is a very convenient feature that makes locking and unlocking your RV easy as the push of a button.

THREE EXTERIORS, THREE INTERIORS. THE CHOICE IS YOURS.

For 2006, mix and match from three diverse full-body paint exterior graphics and three interior fabric motifs—With each interior, you can choose from one of three wood finishes. 27 combinations in all.

What Drives You?

Maybe it's feeling like you're the only one on Earth. Perhaps it's the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends. Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we've shared that passion with you. Because we're RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you'll feel like you're not just traveling, but embarking on an experience unlike any other. Set your own course for adventure and get out there and explore the world around you. Once you do, you'll see what it is that drives us — it's you.

RV OWNERCARE* is a limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

FLEETWOOD TRAVELCADE CLUB As a Fleetwood owner, you're eligible to become a member of our owners' group, Fleetwood Travelcade Club. It's a perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Call (877) 577-2560 and join the fun! Or visit www.fleetwood.com/clubs to learn more.

FLEETWOODRV.COM To locate a dealer near you, visit our website or call 1-800-444-4905. We can also be contacted at Fleetwood Customer Relations, P.O. Box 7638, Riverside, CA 92513-7638.

IMPORTANT—PLEASE READ Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e.: occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

POWER PLATFORM CONSTRUCTION

Fleetwood's patented Power Platform begins with two 10-in. steel I-beams welded lengthwise to the chassis. From the beams, steel outriggers extend outward. Together, they create a basement for fluid tanks and storage while supporting the floor, walls and roof with a rigid metal frame. This complements the chassis to make it even stronger.

Holding tanks are positioned in the bottom center of the platform to enhance vehicle stability.

Holding tanks are enclosed between the upper and lower basement floors. This allows them to be heated to prevent freezing in cold weather.

Inter-locking Ceiling-to-Sidewall Connection

Inter-locking Floor-to-Sidewall Connection

Vacu-Bond® Sidewall Construction

Setting The Standard In Motor Home Quality.

Fleetwood® prototypes are exposed to thousands of miles of durability testing. Those components that don't survive are redesigned until they do. This sets our standard in safety and durability.

Fleetwood's patented Power Platform supports the body with a rigid frame that reinforces the chassis to make it even stronger. This allows Fleetwood to offer triple and quad slide-outs.

For each outer wall, Fleetwood uses one seamless, solid piece of its exclusive Tuff-Coat® fiberglass composite. It resists UV rays, cracks and impacts. Our products look newer longer and that's a big plus at resale time.

To assure a strong, weather-resistant structure, Fleetwood Vacu-bonds® all sidewalls, floors and ceilings to a durable aluminum or steel frame. The Vacu-bond® process is unmatched by many competitors.

Fleetwood sinks and shelves are designed to handle full-size kitchenware. Few competitors can say the same.

Drawings are for illustrative purpose only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

Standard Features

Interior

THROUGHOUT

- 84" Interior Ceiling Height
- Dual Roof-Mounted A/C High Efficiency w/Solar Panel on Front A/C
- Solid Surface Countertops and Sink Covers

Liquid Weight Reference: Water (gal) = (8.3 lbs/3.8 kgs) Fuel (gal) = (7.1 lbs/3.2 kgs) Propane (gal) = (4.2 lbs/1.9 kgs)

Metric Conversion: Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters.

CHASSIS

Frame: Freightliner® XC-Series

Transmission: Allison® 3000 MH, 6-Speed w/Electronic Shifter

Engine: Cat® C7 350 HP

Alternator Amps: 160-Amp Delco

Torque: 860 lb-ft @ 1440 RPM

Tires: Goodyear® 275/70R 22.5H

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the cargo carrying capacity.

2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.

3. Base Weight is the estimated weight of the motor home without fuel, options, water, cargo or passengers.

4. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.

5. Length taken from front bumper to rear bumper (excludes accessories).

6. Excludes safety equipment and awnings.

7. Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.

8. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependant on the weight of the towed load. Consult with hitch receiver manufacturer for further information.
