ASSISTANCE

SALES • TECH • ROADSIDE

- Reach us anytime – literally – via our live customer support line.
- Drive in to one of our 350 Service Centers.
- Enjoy the first year free when you enroll in our Owner Advantage Roadside Assistance Program.
- See where it all begins with a tour of one of our facilities in Indiana or Oregon. Call 1-800-650-7337 or 1-800-634-0855 to find out more.

38SKD | NEW VINTAGE OAK | SILVER STREAK

WHERE THE NEXT ADVENTURE BEGINS.

Sure, you have a so-called regular life, but it's really just passing time until the next adventure begins. Now you'll be ready to answer the call of the wild anytime with the 2007 Next Level from Holiday Rambler. It's designed to load up and go quickly and easily with a massive 95-1/4" rear ramp door that's rated at 2,500 lbs. and comes with non-skid flooring.

At the end of the day, take the party indoors where there's plenty of room to relax in comfort. You can kick back and watch the optional 24" television

or kick it into high gear with music from the new, standard 12V Sirius-ready receiver with CD/DVD player, a 720-watt amplifier, 10" subwoofer and four interior 3-way speakers. Or, swap stories under the patio awning — there's a couple of weatherproof speakers out there, too.

The Next Level makes everything easy. Come inside and you'll find everything you need — systems monitor panels, water pump, water heater and more — in the new utility center that's right inside the door.

38SKD | NEW VINTAGE OAK | SILVER STREAK

PLAY HARD. THEN RELAX IN COMFORT.

Your hobbies may be on the extreme side, but that doesn't mean you don't appreciate the finer things in life. So we've packed the Next Level full of luxuries, including a queen bed with shirt closet and nightstand or mirrored wardrobe in the bedroom. And, there's plenty of sleeping room for your friends and family, too. You can choose a floorplan with a loft bed or add an optional electric queen bed in the cargo area. A new flip-over jackknife sofa comes standard or you can choose to add another sofa to make room for one more person.

Refuel yourself in the fully appointed kitchen featuring a 2-way refrigerator, a microwave and a 3-burner range with oven and range hood – all standard. There's plenty of storage space, especially if you add the pullout pantry with three adjustable shelves. In the bathroom, you'll find a nice-sized ABS shower for washing away the day's fun. And you can add a glass door for a fresh look.

A BEAUTIFUL REFLECTION OF YOU.

Holiday Rambler makes it easy to take your style on the road. We offer a variety of decors – each as lovely as the next with rich fabrics, lustrous woods, eye-catching accents and stunning exterior graphics. So the problem isn't finding a look you like, it's narrowing it down to just one.

SEA MIST (38FKS/SKD ONLY)

**HOLIDAY RAMBLER
ADVANTAGE PACKAGE**

The Advantage Package combines a series of high-end features that ensure you get the most out of your Next Level.

- 5-Year Structural Warranty
- Z-Frame Construction
- Alumaframe® Superstructure
- Alaskan Package (Enclosed and Heated Underbelly, Heated Alcove Storage Area, Insulated Bathroom Floor, 9-Layer Roof and 6-Layer Sidewall)
- Steel-Framed Floor
- Recessed Spare Tire Carrier
- Independent Front Power Landing Jacks
- Diamond Plate Cargo Wall Protector
- Heavy-Duty Protective PVC Flooring in Cargo Area

SILVER STREAK (38FKS/SKD ONLY)

The Next Level's new Z-Frame Superstructure creates 122 cubic feet of unobstructed pass-through storage. So there's room for all your gear – and then some.

Two weatherproof exterior speakers mean you can keep the music going as you're loading, fueling-up or just kicking back under the stars.

The optional built-in vacuum keeps all your floors clean, from the kitchen linoleum to the bedroom carpet. And it makes getting rid of dust and sand in the cargo area easy, too.

- C. ACCENT
- D. CARPET

BETTER
STAIN
PROTECTION

Manufactured in, not added on. For added protection against stains, soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

You'll find plenty of storage throughout the Next Level, including new cabinets in the loft area (available on select floorplans).

Add a lightweight, corrosion-resistant, 40-gallon aluminum fuel tank so you're always ready to roll.

Add the cargo screen to let in fresh air without bringing in dirt, dust and bugs.

Our sealed bearing triple axles provide maximum protection with no maintenance.

The Next Level fifth wheel features Holiday Rambler's exclusive Alumaframe® superstructure. Our revolutionary system of aluminum H and C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

Alumaframe®

Wood

(Butt-Welded)

Alumaframe®
(C-Channel)

9-LAYER ROOF (top to bottom)

- Peaked one-piece roof with BriteTek™ roof material
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- Vapor barrier
- Luaun backer
- Vinyl ceiling

STAY COOL ON THE INSIDE

How do you keep cool inside your RV when it's hot outside? Holiday Rambler has the answer, with our exclusive, multi-layer insulation concept. Just ask Charlie. It's his job to see how we stack up with the competition. He tested Holiday Rambler's nine-layer roof and six-layer wall construction against other RVs in a thermal chamber. The result: the temperature in the competing unit rose approximately 30 percent more per hour on average than in the Holiday Rambler test unit.*

* Test performed by an independent testing facility, February, 1999.

Based on measurements taken every 15 minutes. For full details, visit your local dealer.

6-LAYER FLOOR: "WORKS IN THE BASEMENT"

Your fifth wheel features a six-layer floor and fully enclosed, insulated underbelly. The smooth underbelly contains large freshwater and wastewater tanks, dump valves, wiring harness and heating ducts, which help keep the fluid tanks from freezing and improve the overall insulation factor of your Next Level. The smoothness of the underbelly provides an unrestricted air flow that results in easier towing and improved gas mileage. And the outer shell of the undercarriage is made of rugged composite material that withstands damage from road debris. In addition, the frame is coated with a rust-inhibiting paint.

6-LAYER EXTERIOR WALL (left to right)

- Smooth .040 aluminum is standard; high-gloss gel coat fiberglass is optional
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation bonded in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam adds comfort, saves energy and provides a thermal insulative barrier
- Vapor barrier
- Interior paneling

BODY CONSTRUCTION: FEATURES

- 102" Wide Body
- Alumaframe® Superstructure

* Weights may vary by options.

** Variances in the fabrication and installation of the tanks may cause the actual "usable capacity" to be greater or less than the capacities designated above.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

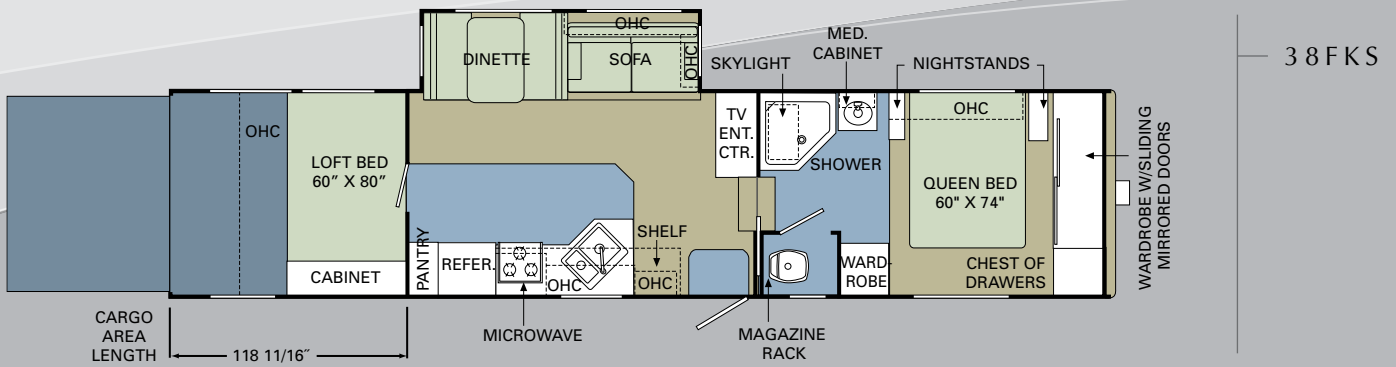

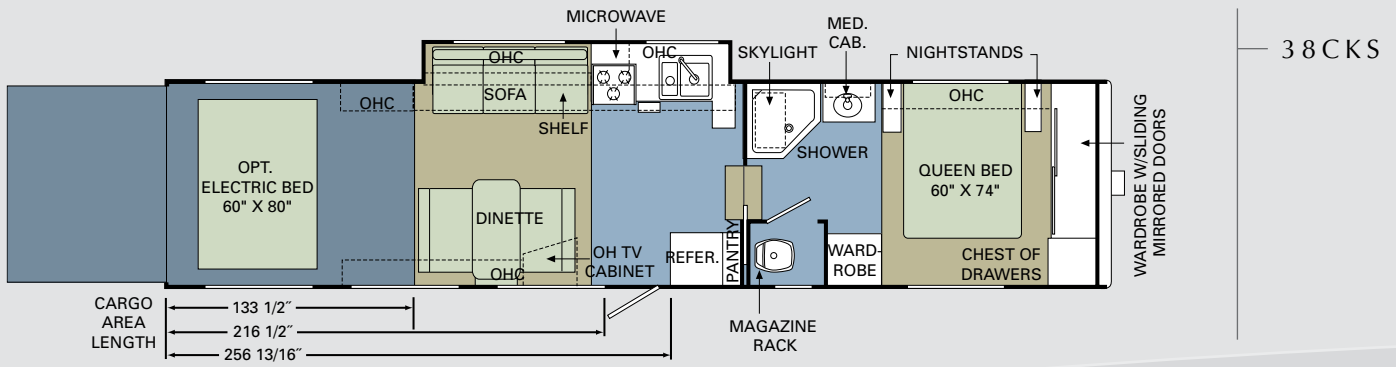

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the towable's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

2007 FLOORPLANS

The Next Level has two new floorplans for 2007, the 30CK with over 12 feet of cargo space and the 38SKD with two slide-outs. Take your time looking over all the floorplan choices and we're sure you'll find the one that fits you to a T.
