

SPORTSCOACH® | CROSS COUNTRY®

**Stand Out like no one else.**

# CROSS COUNTRY

BE ORIGINAL

**M**aking a lasting impression is part of your script for outdoor enjoyment. You love putting it all on the line, showing lots of attitude. We've engineered a rather civil street machine to make it easier than ever to strut your stuff on the highway and in the campsite.

The 2007 Cross Country® from Sportscoach®.

Cross Country gives you all the features of a well-equipped diesel coach for less than many gas motorhomes. All of which make it fun to BE DIESEL and stand out like no one else.

CROSS COUNTRY PATHFINDER ENCORE ELITE

# EXPRESS yourself.

Part of your desire to move up to a diesel is that it gives you a whole new array of features that makes it abundantly clear you're part of the "club". This is where the Cross Country shines, rewarding you with residential-style furniture, space-expanding slide-outs and features usually associated with higher-priced coaches.

For example, the fully automatic leveling jacks enable you to level the coach with the touch of a button. And because it's Sportscoach, you can enjoy it all without the sticker shock!

☀️ New for 2007, Cross Country comes with a one-piece windshield. It perfectly matches our exclusive Site Rite™ dash that angles downward at the windshield. Together, they provide a clear, unobstructed view of the road with reduced front blind spots. All from a cockpit that makes driving Cross Country a distinct pleasure.

The 27-inch, flat screen TV and combo VCR/DVD player are your invitation to kick back and enjoy your favorite shows and movies. It's a great escape from the ordinary.

☀️ Satellite radio is a new option for 2007. Enjoy over 100 channels of music, sports, news, talk and comedy. Available any time, anywhere and with no commercial interruptions.

**SIRIUS**  
SATELLITE RADIO

The soft and luxurious Flexsteel® captain's chairs are easily customized to your liking. Plus, the three-point seat belt shoulder harness is integrated into the seat back for improved safety and comfort.

☀️ Enjoy the large living space, greatly expanded by slide-outs. Relax on the innerspring booth dinette or the comfortable residential style sofa, with designer sculpted carpet beneath your feet.

Whether it's a campsite overlooking a national landmark or a secluded spot in the mountains, your motorhome should give you every excuse to pamper yourself — and favorably impress your friends. Cross Country is all too willing to comply. It's the perfect getaway vehicle.

# INDULGE yourself.

Step into the galley area, and you'll think you're in a luxury residential kitchen. That's because you'll find deluxe features like a designer countertop, premium faucet with detachable sprayer plus an optional convection microwave oven. Magnificent in every way!

Expand your kitchen countertop and storage space with the pull out peninsula on the 382 DS.

- To give you the look and feel of home, we designed the bathroom with residential-style features like a china toilet, spacious shower with glass enclosure, a large vanity mirror with medicine cabinet and premium faucets.

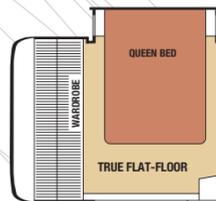

- After a busy day with friends and family, relax in the luxurious bedroom suite with all the comforts of home.
- Cross Country from Sportscoach makes it easy to live the good life with ample wardrobe storage, an available flatscreen television, and plush décor treatments.

## COMPETITION

## CROSS COUNTRY

Cross Country's flat-floor bedroom is an industry first. It provides up to 10 inches of additional headroom around the bed. So, you can enjoy easier access to the wardrobe — with no stubbed toes or your head bumping the ceiling.

# ready to take on any CHALLENGE

Enjoying real, diesel-driven outdoor adventures calls for a motorhome that meets — or exceeds — the challenges of the open road and the campsite. Cross Country does.

### Sturdy foundation.

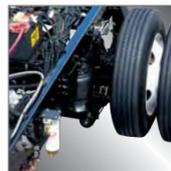

Cross Country rides on the Thoroughbred™ Performance Platform, developed by Sportscoach® and Freightliner™. The platform starts on a laser-leveled stage to ensure a true and level surface for a much more precisely assembled coach. Plus all steelwork has a weather-resistant finish. This results in the best performance and durability in its class.

### Superior construction.

We go the extra mile to make sure each coach is sturdy and dependable. Cabinets are mounted into steel backers instead of paneling. Each windshield is installed with automotive adhesive and sealant. Plus, electrical wires are grouped in a color coded automotive wiring harness for safety, and ease of service.

### Rigorous testing.

All water, gas and electric lines are multiple tested well beyond RVIA (Recreation Vehicle Industry Association) code requirements. In addition, each coach undergoes a 57-point inspection, plus extensive rain booth and road testing to make sure your coach is ready for all your adventures.

Standard full air ride suspension provides a comfortable ride with reduced body roll.

Dual side fuel fills allow refueling from either side of the coach for added convenience.

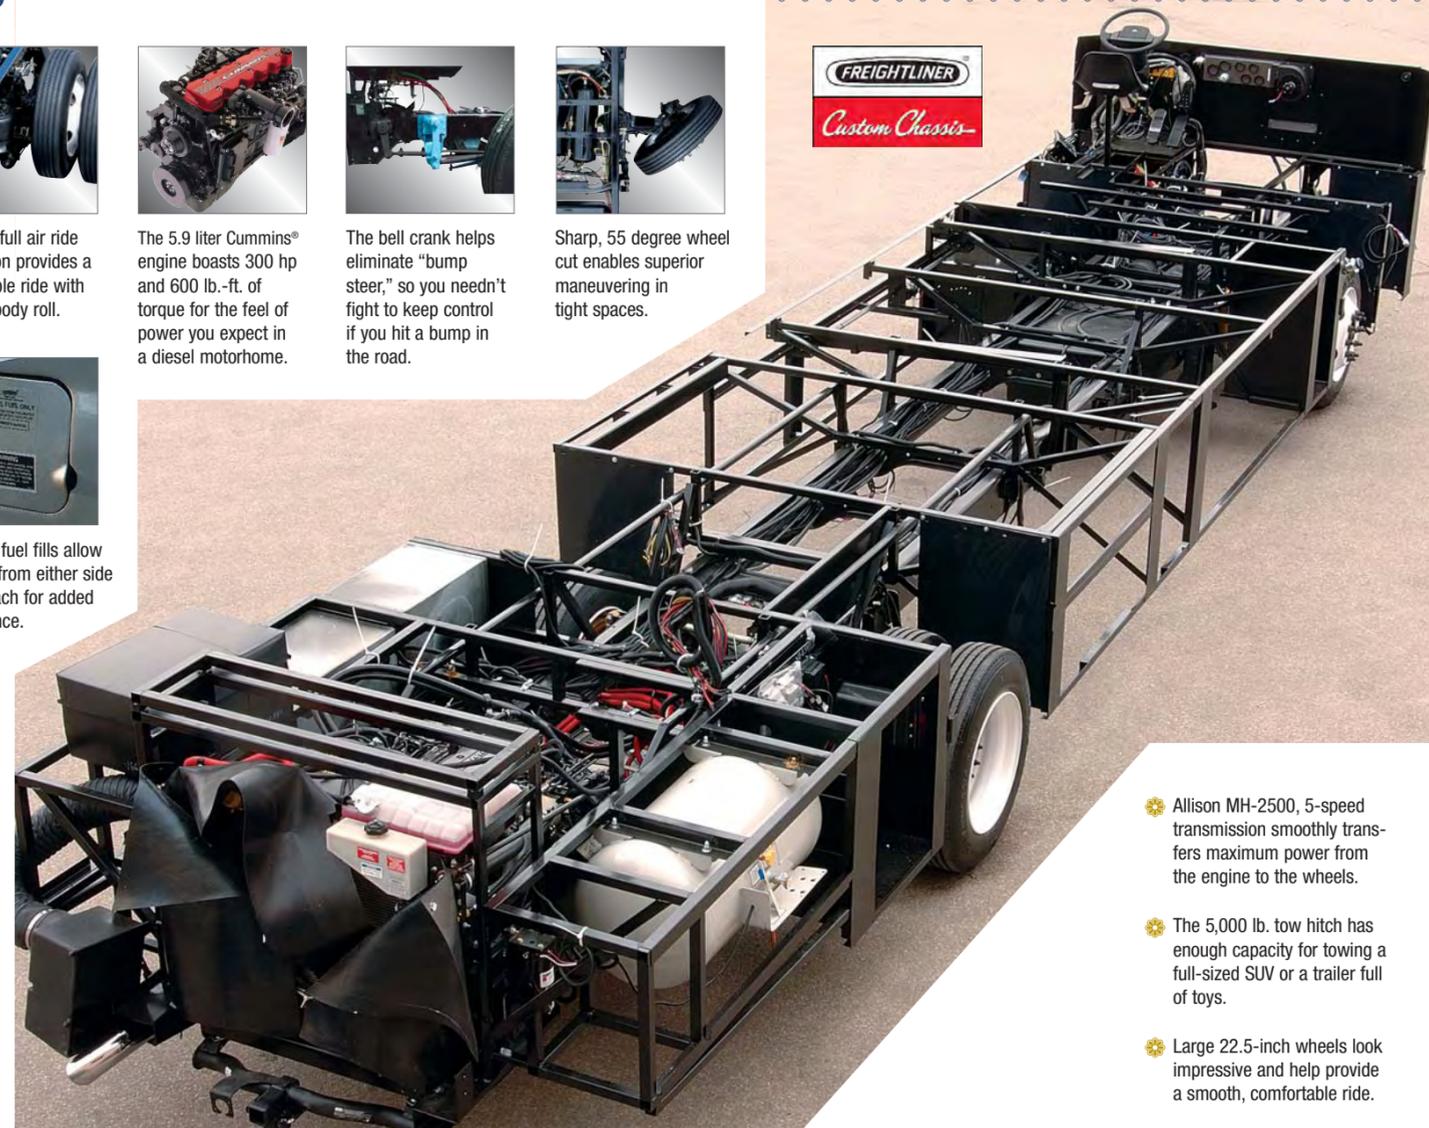

The 5.9 liter Cummins® engine boasts 300 hp and 600 lb.-ft. of torque for the feel of power you expect in a diesel motorhome.

The bell crank helps eliminate “bump steer,” so you needn’t fight to keep control if you hit a bump in the road.

Sharp, 55 degree wheel cut enables superior maneuvering in tight spaces.

✿ Allison MH-2500, 5-speed transmission smoothly transfers maximum power from the engine to the wheels.

✿ The 5,000 lb. tow hitch has enough capacity for towing a full-sized SUV or a trailer full of toys.

✿ Large 22.5-inch wheels look impressive and help provide a smooth, comfortable ride.

# standard FEATURES

### CHASSIS/ENGINE/SUSPENSION

300 HP Cummins Diesel Engine

# owner PRIVILEGES

## Assuring a positive ownership experience through Industry leading Customer Service support.

Sportscoach customers are backed by the most technologically advanced service support system in the RV industry. Through our Service Support Center located at [www.sportscoachrv.com](http://www.sportscoachrv.com), our customers have immediate access to product service information, warranty coverage information, dealer locations, and much more.

In addition, our experienced team of dedicated service and parts personnel are trained and equipped to exceed your needs and expectations. Easily accessible through our toll-free Service Support Hotline (800-453-6064), we are available for our customers when you need us, including after-hours with our 24/7 Emergency Assistance Hotline.

Whenever or wherever you travel, rest assured that your Sportscoach is backed by our hassle-free comprehensive limited warranty and a team of professionals prepared to assure a positive ownership experience.

Leading NASCAR drivers Mike Wallace and Ron Hornaday and crew chiefs Chad Knaus (Jimmie Johnson) and Steve Letarte (Jeff Gordon) stand out with their motorhome of choice: **SPORTSCOACH**.
