

SUNDANCE

THE NEXT GENERATION OF MID-PROFILE 5TH WHEELS

The side aisle in the 3300SK provides for one of the largest bathrooms in the industry. You'll love the large, neo-angle shower; deep linen cabinet storage; mirrored medicine cabinet and more.

Wide open spaces like this are rarely seen in a coach with this affordable of a price! You'll love the spacious, airy feel that this Sundance model 3300SK provides.

The Sundance 3300 SK is one of our most popular floorplans with an abundance of storage, stunning hardwood cabinet doors and drawers, roomy living area and comfortable dinette. There's plenty of room to entertain guests, or just sit and relax in one of the comfortable recliners or pillow-backed sofa. An optional hide-a-bed sofa, along with the standard booth dinette allows you to sleep up to six comfortably in this model.

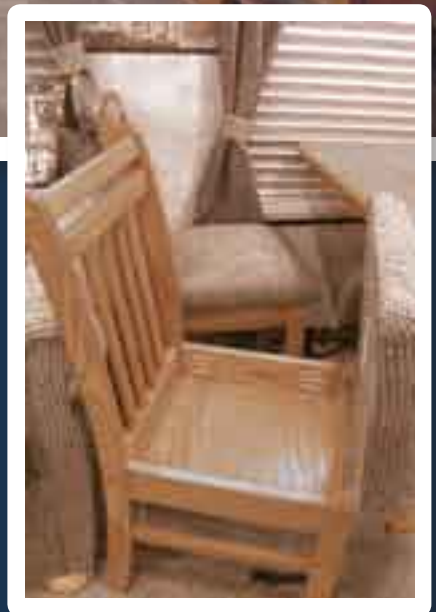

This spacious 3200ES is loaded with high-end features and an elegant touch. Notice the large, oversized windows at the dinette and rear of the coach – providing an excellent view of your surroundings. The kitchen is stock full of storage opportunities, while the living area with entertainment center slide-out, is perfect for hosting guests.

The entertainment center features unique glass inserts with backlighting for a touch of class. (TV not included)

Hidden storage in the seat of the dinette chairs provides a convenient place for games, place settings or even valuables.

Triple Slide-Out Fifth Wheel Living...

When you first enter the Sundance, you'll be amazed at all of this open, spacious living in such an affordable RV. Rich, hardwood cabinet doors and drawer fronts, along with beautiful interior decors accented with colorful fabrics and oversized panoramic windows with elegant treatments make the Sundance stand out from the rest. You'll appreciate the flush floor slide-outs with increased head room for maximum livability.

2 in 1 Reversible

Tired of the same old look? Then you'll love Sundance's reversible cushion sofa! Just turn the back or seat cushions over for a variety of looks.

SUNDANCE

Sundance feels more like a residential home than an RV, and this model shows why. Loads of base cabinet and overhead storage, along with name brand appliances and ample countertop space make meal preparation a breeze. You'll appreciate the little touches like built-in spice storage, large pantry storage and great overhead lighting.

This entertainment center slide-out features a handy work desk station, as well as additional overhead and base cabinet storage. (TV not included)

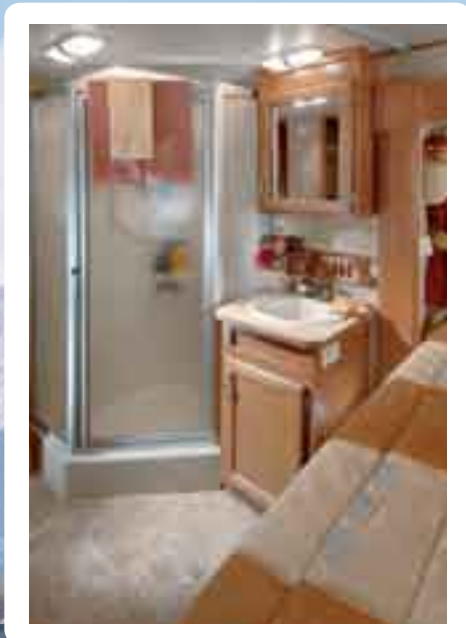

Sleek, flowing graphics provide the Sundance with a great exterior look.

Can you really have a huge, island kitchen with all of this storage and countertop space for such an affordable price? YESS!! The Sundance model 2900 MK features one of the largest kitchens ever achieved in a mid-profile 5th wheel. With an abundance of overhead and base cabinet storage, name brand appliances and an open, spacious design – there’s room for everything - including the kitchen sink!!”

A large, neo-angle shower with glass door combines with a surprisingly spacious lav base with built-in medicine cabinet in a layout normally reserved for coaches much larger.

The spacious Sundance bedroom suite features an incredible use of space, offering more than 30% increased storage opportunities than the competition. The enormous front wardrobe runs the width of the coach while the dresser at the foot of the bed features six oversized drawers, great countertop space and a built-in overhead for the TV! The large linen closet provides excellent storage, while the separate commode room provides privacy.

EXTERIOR AND INTERIOR CONVENIENCE FEATURES

- A.** Most of the coach's hook-ups have been engineered into one central docking area for your convenience.
- B.** Gate valves are enclosed and heated in the underbelly.
- C.** This handy exterior outlet is great for patio lights, and is controlled by an interior switch.
- D.** Floor-level switches are easy to reach and provide for lighted entry into the coach.
- E.** A one- piece corrugated ABS underbelly is used to seal the bottom of the coach.
- F.** A step light illuminates your steps at night.
- G.** This floor-to-basement laundry chute provides a great place for dirty clothes.
- H.** The dinette bases are wider and taller this year - providing extra room for entertaining
- I.** The exterior storage compartment is both obstruction free and very well finished - a design that Heartland is proud to offer in a mid-profile coach.
- J.** Need more Storage? You must not own a Sundance.
- K.** Steel ball-bearing drawer guides provide for unmatched storage size and strength.
- L.** Many of the coach's systems controls are hidden behind the mirrored front closet doors, where you'll also find hooks for your jackets and extra storage space.
